IEEE PCJS Achievements Past Year

- **Sarnoff Symposium Conference** – 12 keynote speakers from Communications Industry and University – Broke even financially - Thank you Deepak Kataria - September 2018.

- **Joint Awards & Holiday Dinner with the New Jersey Coast Section** – We were able to cut costs and allow our R1 leaders to attend one meeting for two sections. Nice working with Irfan Lateef and Ajit Reddy - December 2018

September 2018
IEEE PCJS members present at the Holiday Dinner, December 2018
IEEE PCJS Leadership

- Change of Leadership to occur in January 2020. Presently:
  - Fran O’Connell – Chair
  - Nagi Naganathan – Vice Chair
  - Deepak Kataria – Treasurer
  - Roger Ding – Secretary

2-year terms started Jan 1, 2018.
**Strong Chapters** – The Computer Society (C16) continues to have over 8 meetings per year. They coordinate with the Princeton ACM. Thank you Rebecca Mercuri and Ed Levinson for leading this Chapter.

**Newest Affinity** - Joe Jesson became the chair of the Life Members group in 2017. He has brought in Apollo engineers and astronauts to talk about engineering. His meetings are packed!
IEEE PCJS Shout Out (cont’d)

- **Signal Processing** – Jerry Bellott and Yahia Tachwalli have taken charge in making the SP a more vibrant chapter with meetings and activities.

- **TCF 2019** – Al Katz and volunteers continue to put on an engaging conference/workshop for the section. This year was well attended.
IEEE PCJS Shout Out (cont’d)

- **ISEC 2019** – Our Education Society puts on an Integrated STEM in Education Conference yearly. We had to limit registrations to 150 last year. This year we were able to register 175. Thank you Ashutosh Dutta, Nagi Naganathan, Roger Ding, Weihsing Wang, Ralph Tillinghast and Matthew Morrison for leading this conference.

- **ITPC 2019** – A last minute surge in registrations was a happy event for this IT Professional Conference. David Soll (past chair of section) has been leading this conference for over 8 years.
IEEE PCJS Shout Out (cont’d)

- **Joint Holiday dinner with the New Jersey Coast Section** – We had a great event with the Coast section in December 2018. Thank you to Barbara O’Connell (Fran’s wife) for much of the planning with the NJ Coast team.

- **Young Professionals** – Chair Kaitlin Frolio has an active YP group. She recently had a joint event with the Life Members at a local brewery. It was very successful.
Concerns for IEEE PCJS

- Some chapters are still leaderless. There are many with only one chair and no vice chair. Concern is with Power Engineering.

- Having meaningful meetings is tough without the leadership.

- Section suffered a financial loss in 2015 and is still recovering. We have been coming back from that and are doing better financially.
Action Steps for IEEE PCJS

- Contact the present chapter/affinity leaders and identify members who would like to rise to leadership positions. Provide training.

- Encourage our present leaders to take IEEE online training in leadership training.

- Contact the section at large to encourage presently disengaged members to try attending one meeting coming up and potentially to get involved.

- Ask R1 for ideas!
Action Steps for IEEE PCJS (cont’d)

- Contact members to encourage Senior Membership applications
- Pass along these notes to the ExCom to let them know we are thinking about them
- Continue to keep better track of financials, especially for conferences.
- Re-engage with Universities in the section. There is a strong connection to The College of New Jersey, but flimsy connection Rutgers. Started to make contacts with Princeton University.

Conferences

- **ISEC** – Integrated STEM Education Conference
  - March 16, 2019 – Was very successful

- **ITPC** – Information Technology Professional Conference
  - March 22, 2019 – Last minute registrations was encouraging

- **TCF** – Trenton Computer Festival
  - March 23, 2019 – Successful program

- **Sarnoff Symposium**
  - Scheduled for September 2019
Other Activities

- Sponsoring High School IEEE STEM Clubs
  - Bridgewater Raritan High School
  - Montgomery High School
  - Hillsborough High School
  - Noor-UI-Iman High School
Summary

- I am grateful for all our members have done to make this a vibrant section

- We have a strong section. However, we do need to engage more of our membership and to provide opportunities to get them involved.

- Our leadership is in it for the long haul:
  - Fran O’Connell, IEEE PCJS Chair
  - Francis.x.oconnell@ieee.org
  - 609-213-0705
