

Maine Section IEEE Standing Practice

Topic	Practice
Executive Committee Meetings	Initial planning meeting is held in August to plan for the upcoming Section year's meetings. Typically, there are at least two fall and 2 spring E.C. meetings.
Section/Chapter Meetings	Maine Section meetings are typically held the 3 rd Wednesday of September, October, and February through June. November and December's meetings are scheduled around the holidays. Chapter meetings are scheduled to avoid conflicts with Section meetings; preferably in a different week. Speaker's meal is typically lobster, if available. Typically, there is an annual joint Maine Section/Student Branch meeting.
Student Paper Award	In the past, given annually by the Section each spring.
