Meeting start time: 7:05pm

Meeting End time: 8:10 pm

Agenda:

- Present the 2024 budget (Mike Mosa) to be voted on in November

Ali introduced the Agenda.

Mike presented 2024 projected budget (revenue and expenses)

Looking into a cruise for next year, waiting for final cost estimate

\$5000 allocated for special projects for next year (matching funds by sections for approved projects)

Mike explained that the IEEE provides summary of all the section, society and chapters financials.

The Section does not control the budget of individual chapters.

The section asked chapters and society to submit request for 2024 events that would require section support.

Kit raised issue with the PACE funding.

Filomena explained the progress in the section process for budget.

Officers/volunteers for next year TBD.

Ali to provide a link to the budget.

Ability to carry over the milestone till next year.

Prasad: *11/16* a talk in Holmdel; needs Webex link (Raghuram is presenting) trying to get volunteers to COMSOC chapter.
