PUBLICATION OF THE NORTH JERSEY SECTION OF THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS

- **The annual Rutgers UNITE Half Marathon & 8K as a fundraiser to support IEEE humanitarian activities through the IEEE Foundation** - On Sunday, 19 April, 2020, a team of about twenty employees of IEEE, as well as, their friends and other IEEE members participated in the annual Rugar Unite Half Marathon and 8K <https://give.ieeefoundation.org/campaign/2020-rutgers-run/c266963> as a fundraiser to support IEEE humanitarian activities through the IEEE Foundation. One hundred and forty donors contributed over \$6,000.

This year was different. Instead of gathering together for a massive run at Rutgers University, we ran individually while adhering to physical distancing in our own neighborhoods, including in Piscataway, NJ where IEEE employees Louis VACCA and Christopher PERRY and their friend James MODICA ended their run at the IEEE Operations Center at 445 Hoes Lane.

Donations to support this particular activity can still be made at <https://give.ieeefoundation.org/fundraiser/2623008> and are greatly appreciated by the participants, IEEE and the people worldwide whose lives are transformed through the power of technology and education. An annotation, such as, “Member of North Jersey Section of IEEE”, can be entered in the field. Support of the IEEE Foundation is most appreciated.

Respectfully,

Stephen WILKOWSKI, Proud Member of IEEE for Thirty-Nine Years
