Rochester Chapter IEEE-Computer Society Meeting May 6

Date: May 6, 2009

Time: 7:00 PM – 9:00 PM; Pizza and light snacks will be available.

Topic: “OWASP and the Process of Developing Web Security Standards”

Presenters: Ralph Durkee and Duane Pfeifer

Location: Spiegel Community Center, Room 205, 35 Lincoln Ave, Pittsford, NY 14534

OWASP is an open source community dedicated to improving the security of applications. The OWASP guidelines for web site security are widely used in the web development industry. This meeting will provide an introduction to OWASP, its guideline development process and provide an opportunity for dialogue between the Rochester Chapter IEEE Computer Society and local OWASP leaders.
