Rochester Section Meeting - Tuesday, December 7, 2010

The next Rochester Section business meeting is on Tuesday, December 7, 2010 at Noon, at the Shanghai Restaurant, 2920 West Henrietta Road, just south of the intersection with Brighton-Henrietta Town Line Road.

Any IEEE member is welcome to attend and to participate, or just to observe. Lunch is only \$3 for IEEE members. No reservation or RSVP is needed, just show up.

Election of 2011 Rochester Section Officers at December Meeting

Based on the recommendations of the section nominating committee, the executive committee approved the following nominations:

Chair:	Alex Loui (Eastman Kodak Co.)
Vice-Chair:	Bill Fowlkes (Eastman Kodak Co.)
Secretary:	John Kerekes (R.I.T.)
Treasurer:	George Sotak (ITT Geospatial Systems)
Awards:	Andrew Gallagher (Eastman Kodak Co.)

These represent the elective offices in the Rochester section. Other Executive Committee positions are filled by appointment of the Chair, with the approval of the Excom.

Our bylaws also allow for nominations for section officer positions to be made by petition. However, no petitions were received by the deadline so the election will be by voice vote at the meeting. All members in the Rochester Section, as described in our by-laws, are eligible to vote. Officers begin their terms on January 1, 2011.

IEEE PACE Meeting on Job & Career Strategies

IEEE Scholarships

The Rochester Section of IEEE awards two \$1500 scholarships each year in partnership with the Rochester Engineering Society Scholarship committee which usually awards six scholarships. Criteria for both of these scholarships is that the student has completed two years in an engineering, engineering technology, science, or technology program that is accredited by ABET, and has a GPA of 3.0 or higher. The student must be a resident of Monroe, Genesee, Livingston, Ontario, Orleans, Wayne, or Wyoming counties of New York, or enrolled in an ABET-accredited program in a college in these counties. The IEEE scholarship winner must also be a member of the student section of IEEE.

Applicants for scholarship need to have a personal interview with a member of the RES scholarship committee before the scholarship application deadline of January 21, 2011. An IEEE representative is on this committee. The scholarship application is available at www.roceng.org. Please publicize this scholarship to colleagues and people that you know who have children in college and might be eligible for this award.

RIT IEEE Computer Society Student Branch

The RIT IEEE Computer Society Student Chapter will be holding an Android design and development seminar on Thursday, January 13, 2011 from 6 to 10 pm at the Kate Gleason College of Engineering in the Xerox Auditorium. The seminar will open with an introduction to the Android architecture and common cross platform mobile development tool kits, and will conclude with a hands-on workshop with a limited number of phones to test complied projects. No prior development experience is required, but some familiarity with Java or HTML/JavaScript is encouraged for the workshop portion of the event.

The charge for Professional IEEE member is \$10, Student IEEE Members \$5, and non-members \$20. All attendees are required to RSVP for refreshments that will be provided before the workshop portion of the event.

RSVP by emailing ieee.cs.rit@gmail.com with your name and mobile development experience/interest.

Any questions can be addressed to ieee.cs.rit@gmail.com
