Message from the Chair

Dear Colleagues,

Congratulations to the newly elected Rochester Section Executive Committee Officers: Eric Brown (Chair), Kelly Robinson (Vice Chair), Howard Bussey (Treasurer), and Mark Schrader (Secretary).

The big event for the Section is almost here. On April 26 the Rochester Section will host an IEEE Milestone Ceremony and Joint Chapters Meeting (JCM) at the Kodak Center (see page 2).

Our next ExCom meeting will be on May 3 from noon - 1 pm. Please register in advance at https://events.vtools.ieee.org/m/307431. In-person attendance details will be updated on vTools.

Stay healthy and best regards,

Eric T. Brown

TRFSEF Report
Terra Rochester Finger Lakes Regional Science and Engineering Fair

The Terra Rochester Finger Lakes Science & Engineering Fair was held virtually on March 19.

o There were 63 students from grades 6-12 who were from the Rochester region and Western New York.
o The fair was very diverse with respect to gender, race, and ethnicity.
o We thank the 48 volunteer judges who read over the student's materials, watched students' presentations, asked questions, and then scored each student using a standard rubric.
o We thank the 63 students who participated and showed the results of their research, application of scientific principles, engineering/fabrication skills, and data analysis in their excellent presentations.

The combined awards ceremony for TRFSEF, the Potsdam fair, two international fairs, and the New York City fair will be held on April 20.

Further questions? Contact Harold Clark, Ph.D., Fair Director, at trfsef@terraed.org.
