Message from the Chair

Dear Colleagues,

On December 15, the Rochester Section held an Award and volunteer recognition dinner. This was the Section's first in-person recognition dinner since the COVID-19 shutdown of in-person gatherings. We recognized Dr. Santosh Kurinec with the 2022 IEEE Region 1 William Terry Distinguished Service Award plaque and award. We also recognized our 2022 Student Scholarship recipients and thanked all of the invaluable volunteers that keep the Rochester Section running.

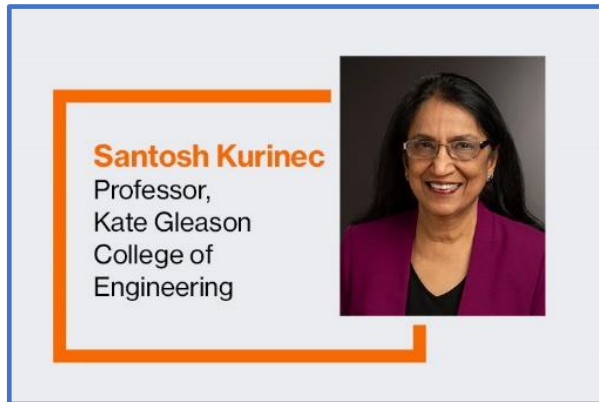

The next Rochester Section ExCom meeting will be on Tuesday, February 7, from noon to 1 pm (vTools #332190). Please pre-register on vTools at:

<https://events.vtools.ieee.org/m/332190>

Stay healthy, and best regards,

IEEE Rochester Section Recognition Dinner

The IEEE Rochester Section Volunteer and Awards Recognition Dinner was held on Thursday 12/15/22 at Glendoveers Banquet House. We recognized Dr. Santosh Kurinec, the 2022 IEEE Region One William Terry Distinguished Service Award recipient. We also celebrated our 2022 Student Scholarship recipients Anand Idris and Christina Nguyen, and each of the invaluable volunteers that keep the Rochester Section running.

IEEE Rochester Section Upcoming Events for 2023

Announcements from our Vice Chair, Kelly Robinson:

Please be on the lookout for the following upcoming events and website change:

Technical Meeting: Rochester Contributions to Space Technologies

This event will be scheduled for late January or early February at the Rochester Museum and Science Center.

The date and time will be announced soon.

IEEE Rochester Section Joint Chapters Meeting

This will be a technical meeting with several talks from different Electrical Engineering disciplines as well as a social dinner. It will be scheduled for in late March or early April 2023.

We will announce the date, time, and location soon.

IEEE Rochester Section Calendar

A new *Calendar of Events* for the Rochester Section is in the works. It will be part of our website to help publicize the details of our planned events. This resource will be in addition to our newsletter in the RES Magazine. Our webpage is located at <https://r1.ieee.org/rochester/>
