Message from the Chair

Dear Colleagues,

IEEE Regions 1 and 2 will host a Joint Student Conference at the University of Maine Orono from April 14-16. Activities include a Student Paper Contest, a Battle Bot competition, and a Drone workshop. More information and registration are available on vTools. (<https://events.vtools.ieee.org/m/344108>)

If you are interested in UAVs or Drones be sure to check out the 6th STRATUS Conference which will be held May 22-24, 2023 at the Chester F. Carlson Center for Imaging Science at RIT. Visit Stratus-Conference.com for details.

The next Rochester Section ExCom meeting will be on Tuesday, May 2, from noon to 1 pm (<https://events.vtools.ieee.org/m/351995>). Please pre-register on vTools.

Stay healthy, and best regards,

IEEE 2023 R1 & R2 Joint Student Conference

Two students from the University of Rochester will be attending the IEEE 2023 Region 1 and Region 2 Joint Student Conference in at the University of Maine, Orono, Maine. The conference will be held on **April 14-16** and will feature a student paper contest, a drone workshop, battle bots, and a T-shirt design contest.

For more information go to the vTools site mentioned by Eric Brown above or go to: the conference website <https://ieeer1.org/r1r2mainestucon/>

IEEE 2023 Sections Congress: August 11-13

Volunteer leaders from around the world will meet in the Shaw Centre, Ottawa, Canada, to exchange ideas and learn about the products and programs IEEE offers to members in their local areas. See: <https://sections-congress.ieee.org/> .

Geoscience And Remote Sensing Society (GRSS) - STRATUS Conference

If you are interested in UAVs or Drones, be sure to check out the 6th STRATUS Conference which will be held in person on May 22-24, 2023, at the Chester F. Carlson Center for Imaging Science, RIT. Visit Stratus-Conference.com for conference details and see the information show below.

6th STRATUS Conference at RIT

Systems and Technologies for Remote Sensing
Applications Through Unmanned Aerial Systems

May 22 - 24, 2023
Rochester Institute of Technology
SAVE THE DATE
(abstract + talk)

Submit your abstract by March 15 at:
Stratus-Conference.com

Topics Include

- 3D and Multi-view Imaging
- Remote Sensing & GIS
- Analysis Techniques
- UAV Software and Hardware
- Applications and Algorithms
- Environmental Monitoring & Modeling
- Imaging Systems, Sensors & Platforms
- Other Related Technologies
- Keynote Speakers and Tutorials
- Research Talks and Posters

RIT

College of Science
Chester F.
Carlson Center
for Imaging
Science

ESF
State University of New York College of
Environmental Science and Forestry

UB
University
at Buffalo

If wish to give a talk, we are now accepting abstracts. Please submit the abstract for your talk by the due date: **April 1, 2023**. Go to <https://stratus-conference.com/call-for-abstracts> for details and instructions.

If you have *any* questions about the conference, please contact: Emmett lentilucci:
