Message from the Chair

Dear Colleagues,

The 2023 edition of the Western NY Image and Signal Processing Workshop (WNYISPW) will be held on November 3rd at the RIT Student Development Center (Registration at [364310](#)).

The next Rochester Section ExCom meetings will be on Tuesday, November 7th (Registration at [360681](#)) and December 5th (Registration at [360682](#)) from noon to 1 p.m. Please pre-register on vTools for in-person or virtual attendance.

Stay healthy, and best regards,

ExCom Member Honored as Harris Endowed Professor at RIT

Professor Emmett Ientilucci, IEEE Rochester Section Finance Chair, and Rochester GRSS Chair, along with Professor Christopher Collison, were introduced as the inaugural Harris Endowed Professors in RIT's College of Science during a ceremony at University Gallery on Sept. 6, 2023.

Two Geoscience & Remote Sensing Society (GRSS) Talks Scheduled

Land And Ocean Remote Sensing Using Signals of Opportunity and Reflectometry, presented by Dr. Rashmi Shah of Jet Propulsion Laboratory (JPL) will be held on **November 15**, 3:30-4:30 at the RIT Center For Imaging Sciences, Building 76, Auditorium. Click above for registration and details.

The second GRSS talk scheduled in November is:

[Applications of Imaging Modalities In Engineering and Sciences: A Journey Through Visible, Thermal, And Hyperspectral Imaging Projects.](#)

that will be presented by Professor Ruby Mehrubeoglu of Texas A&M University, and will be held on **November 1**, 3:30-4:30 at the RIT Center For Imaging Sciences, Building 76, Auditorium. Click the link above for registration and details.

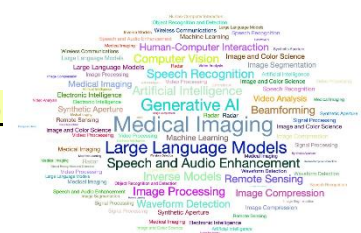

2023 IEEE Western New York Image and Signal Processing Workshop (WNYISPW)

Date-Time-Place: **November 3**, 2023, RIT Center for Imaging Science, Building 76, Conference Center, 8:00 am-5:30 pm EDT

The workshop is organized as a morning paper session, a Poster session, a catered lunch, and an afternoon session. There are several invited speakers and numerous presented papers.

- Sept. -Hosted resume reviews with the Microelectronic Engineering Student Association.
- Had a Meet and Greet/Information Sessions with Micron, and Intel.
- Oct.-Invited the IEEE student chapter from the University of Rochester to RIT to celebrate, socialize, and share information about engineering projects.
- Nov. -We hosted BS/MS students to inform others about the dual degree program.
- March -We teamed up with the Society of Hispanic Professional Engineers (SHPE), the Doctoral Student Association (DSA), Women in Graduate School (WIGS), and AIChE to host a panel discussion about applying to graduate school.
- Partnered up with SAE and AIChE for resume reviews and mock interviews.
- We also had a career fair cool down ice cream social.
- Hosted: finding housing for internships and making the most of the co-op experience.
- April - We hosted a PCB Design Workshop,
- Had a Life After Graduation Panel, and an End of Year Party.
- May - About a dozen RIT IEEE seniors graduated representing IEEE with pins and blue and white cords with their graduation regalia.
